Do I receive a certificate after the classes?

You will receive a certificate of completion from the American Feng Shui Institute for the Beginning, Intermediate and Advanced Feng Shui classes. These are our foundation classes and are the pre-requisites for our advanced study courses. Please do not confuse this with certification or licensing, as there are no requirements for practitioners at this time.

What happens after I complete the Beginning, Intermediate and Advanced Feng Shui foundation courses?

As a student of the Institute, we are available to assist you with your continued study. We offer many advanced level courses for deeper study and provide a free online discussion Bulletin Board for questions and answers.
