Introduction

Today, fengshui is very popular and anyone can take a class in it. In the old days fengshui was usually taught last, after a student had already learned palm and face reading, astrology, and other Chinese metaphysical arts and sciences. Even before studying metaphysics, studying the classics of the dao was a prerequisite, including the *Dao De Jing*, and *Zhuangzi*.¹

Daoism means following the flow of the universe. Buddhism and Confucianism go against nature, because they give humanity a special position between heaven and earth. Daoism also recognizes that man is between heaven and earth, but he should change with the flow of qi the same way a plant has its cycle of growth throughout the four seasons. Man is really no different than other animals and plants except that he thinks he is special. This separates us from the universe and gets us in trouble.

The most famous book of Daoism is the *Dao De Jing*, said to have been written by Laozi during the Warring States Period (475-221 B.C.E). The *dao* cannot be defined, but it is related to *understanding* or *being* what is appropriate. *De* (often translated as ‘virtue’ or ‘morals’) is *doing* what is appropriate; it is not really the same as ‘morals.’

Zi Wei Dou Shu originated from Daoist thought. In a Zi Wei Dou Shu reading, we see that each person has their own pre-programmed nature. Don’t put your own standards on others. They are only what the universe has made them.

This class includes information on how to approach the reading of a chart, and then focuses on peach blossom, marriage, and divorce. We present three case studies, two of them focused on marriage. Through the information in this class, you will improve your skill in reading a Zi Wei Dou Shu chart.

¹ 老子《道德經》，《莊子》

Part 1: Theoretical Discussion

First, let's review some important aspects of reading a chart. Then we will discuss some specific signs of peach blossom, marriage, and divorce.

Reading a chart:

1. Know the character or specialty of each of the stars, especially the Fourteen Major Stars. For example, 1 Zi Wei is the emperor, so it likes to command or demand. 9 Tan Lang is greedy, especially for peach blossom, so it is very social. 2 Tian Ji is always moving and always thinking too much, so it is unstable. These are just examples. All stars have their own attributes.

2. Pay attention to special combinations of stars.

- Paired stars are very powerful when together or when they see each other (in the three combinations relationship or opposite): 17 Di Kong and 18 Di Jie, 15 Wen Chang and 16 Wen Qu, 21 Huo Xing and 22 Ling Xing, etc.
- Other combinations have specific meanings, for example 6 Lian Zhen and 9 Tan Lang (peach blossom), or 4 Wu Qu and 7 Tian Fu (money). 36 Lu Cun plus 49 Ming Ma mean making a lot of money when traveling, but if 44 Kong Wang is also there, it collapses any gain. There are many combinations like these. These combinations transform their significance like a chemical reaction: the meaning is more than just the sum of the two stars. Quite a few were discussed in the basic series of Zi Wei Dou Shu classes, but you will learn more of them in the various Case Study Classes.

3. Look at the location of the ming palace:

- The ming in the four corners: The corners are 'horses.' They show a need to move around. They indicate being busy. However, it also depends on the stars inside the palace. For example, if 2 Tian Ji is in a corner palace, movement is even stronger and less balanced. If 5 Tian Tong is in a corner, it may be less lazy and more willing to take action.
- The ming in the four earths: the person will be stable, even lazy. If 5 Tian Tong, is in an earth palace, it is even stronger and less balanced, but 2 Tian Ji will calm down a little when it is there.
- The ming in the four directions: the person loves to enjoy life, including social

interaction (especially with flirtation), wine, romance, and parties. If 9 Tan Lang is in one of the four directions, it is even stronger and less balanced. However, a star like 4 Wu Qu may become a little less serious and a little more playful when in one of the four directions.

4. Look at the opposite palace and the palaces in the three combinations relationship: Together, the ming, career, and money (three combinations relationship), and the travel palace (opposite) are called the four main palaces. All of them have a strong influence on ming and on each other.

The opposite palace has the strongest effect; perhaps you can think of the travel palace as what you experience out in the world. The ming has the second strongest influence; it is who you are. The palaces in the three combinations relationship have the third strongest influence. They are like the friends you spend time with.

This class will focus on the spouse palace. Everyone seems to care about their spouse palace. The spouse palace is always opposite career. Spouse, karma, and travel are in the three combinations relationship. A person's travel and career affect spouse: a spouse is unhappy if career and travel keep the couple separated. Of course, since the karma palace describes the emotional make-up of a person, it is also essential to examine it to see if a marriage can succeed.

5. Learn the Four Transforming Stars by heart, or at least keep a copy of that table nearby. Don't forget to look at how they gang up in the palaces related by the three combinations relationship and the opposite palace.

The Four Transforming Stars				
	45 化祿	46 化權	47 化科	48 化忌
Stem	Hua Lu	Hua Quan	Hua Ke	Hua Ji
Jia	6 Lian Zhen	14 Po Jun	4 Wu Qu	3 Tai Yang
Yi	2 Tian Ji	12 Tian Liang	1 Zi Wei	8 Tai Yin
Bing	5 Tian Tong	2 Tian Ji	15 Wen Chang	6 Lian Zhen
Ding	8 Tai Yin	5 Tian Tong	2 Tian Ji	10 Ju Men
Wu	9 Tan Lang	8 Tai Yin	24 You Bi	2 Tian Ji
Ji	4 Wu Qu	9 Tan Lang	12 Tian Liang	16 Wen Qu
Geng	3 Tai Yang	4 Wu Qu	8 Tai Yin	5 Tian Tong
Xin	10 Ju Men	3 Tai Yang	16 Wen Qu	15 Wen Chang
Ren	12 Tian Liang	1 Zi Wei	23 Zuo Fu	4 Wu Qu
Gui	14 Po Jun	10 Ju Men	8 Tai Yin	9 Tan Lang

6. Understand the luck periods and the influence they have: Large and Small Cycles, the current year.

- Remember the series of twelve stars that represent a life cycle? If the ming of a time period (Large or Small Cycle) is in a palace with 78 Chang Sheng, or 82 Di Wang, it brings very smooth luck (unless all the stars are bad). If it is in with 86 Mu, 87 Jue, or 85 Si, the luck is not so smooth. Even if the other stars are good, they are not able to bring out all their benefits. The best advice is to lay low when these stars are in ming.
- If the palace with the same branch as the current year coincides with the Large or Small Cycle ming, that year will be very intense since that palace has extra power. Whether good or bad depends on the stars inside the palace.
 - 90 Sui Jian is the first of the current year stars. It is always in the palace with the same branch as the current year.
 - If 75 Da Hao is in the same palace, it may be a difficult or dangerous year. For example, if it is in one of the four corners with 36 Lu Cun and 44 Kong Wang,

there may be a big accident, possibly even death.² This is called the collapse of Lu Cun (祿倒).

- You should always pay special attention to the palace that has the same branch as the current year, regardless of its palace category. For example, heed any warnings in the mao palace during a mao year, regardless of whether it is ming, health, money, or whatever.
- You can calculate 36 Lu Cun, 37 Qing Yang, and 38 Tuo Luo based on the current year stem. (You can even do it for the Large Cycle.) For example, in a ji stem year, Lu Cun will be in the wu palace and Qing Yang and Tuo Luo will be on each side. If a person's Small Cycle ming has a lifetime Qing Yang or Tuo Luo, and the current year Qing Yang or Tuo Luo fall in the same palace, it is a very dangerous time. It is as critical as 48 Hua Ji. Qing Yang is sharp and quick and especially means big danger. Problems caused by Tuo Luo last a long time.

Three Stars Placed by the Stem			
	36 祿存	37 擎羊	38 陀羅
Stem	Lu Cun	Qing Yang	Tuo Luo
Jia	Yin	Mao	Chou
Yi	Mao	Chen	Yin
Bing	Si	Wu	Chen
Ding	Wu	Wei	Si
Wu	Si	Wu	Chen
Ji	Wu	Wei	Si
Geng	Shen	You	Wei
Xin	You	Xu	Shen
Ren	Hai	Zi	Xu
Gui	Zi	Chou	Hai

² Master Sang says that he finds Zi Wei Dou Shu about 75-85% accurate for predicting someone's death. Of course, with less experience, the accuracy decreases from there.

Peach Blossom, marriage, and divorce

Now we will present some special configurations that affect a person's romantic relationships, their ability to get married, be happily married, and the occurrence of a separation or divorce. Some of these configurations are very specific, but often close variations will have a similar effect, so observe carefully when a chart is nearly the same. There is an art to reading a chart than cannot be communicated in words. You will develop it with practice.

Here are some of these special configurations:

Predicting when peach blossom can occur:

In the Small Cycle layer of the chart:

- The ming palace has peach blossom stars and is in one of the four directions (zi, wu, mao, or you).
- 8 Tai Yin with a low rating and transformed by 48 Hua Ji in the ming brings peach blossom. (It can bring peach blossom even without Hua Ji and with a higher rating, but is not as strong.)
- 9 Tan Lang with current year 54 Hong Luan in ming.
- 5 Tian Tong transformed by 48 Hua Ji in karma, ming, or spouse. This also represents a broken heart, so be careful.

Two Stars for Peach Blossom or Marriage		
Year Branch	54 紅鸞 Hong Luan	55 天喜 Tian Xi
Zi	Mao	You
Chou	Yin	Shen
Yin	Chou	Wei
Mao	Zi	Wu
Chen	Hai	Si
Si	Xu	Chen
Wu	You	Mao
Wei	Shen	Yin
Shen	Wei	Chou
You	Wu	Zi
Xu	Si	Hai
Hai	Chen	Xu

Predicting when a marriage can occur:

Marriage can occur when you see one or more of the following conditions in the Small Cycle layer of the chart:

- The karma, ming, or spouse palace has peach blossom stars plus Hua Lu.
- 15 Wen Chang and/or 16 Wen Qu with 47 Hua Ke in the career palace (opposite spouse).
- The ming has 55 Tian Xi or 54 Hong Luan and sees 15 Wen Chang and/or 16 Wen Qu with 47 Hua Ke (especially from the current year stem). 55 Tian Xi and 54 Hong Luan can be calculated based on the current year, as well as on the birth information (see table on the previous page).
- Marriage can occur without these, but if you see any of these combinations, the likelihood is very high.

Predicting a happy marriage:

The following are for the lifetime or Large Cycle layer of the chart. Of course, if the palace also contains sha or 48 Hua Ji, the happiness is dissolved.

- For a woman, 3 Tai Yang in ming or karma with a good rating (in the daytime palaces, yin through wu) can signify a good husband. He will not be a burden to her. The marriage will bring good things.
- 8 Tai Yin in the 'night' palaces is the same for a male.
- 54 Hong Luan in a ming that is located in one of the four earth palaces.
- 14 Po Jun in ming in the zi or wu palace enjoys all the benefits of a good relationship.
- In the spouse palace:
 - 7 Tian Fu is stable and accommodating.
 - 12 Tian Liang: has good and bad mixed. The marriage faces difficulty but it can be handled and overcome. The husband is older than the wife. There may be a 'cold war' in the marriage. 12 Tian Liang in spouse often signifies remarriage to the same person. 12 Tian Liang sees difficulty and transforms it into good. Therefore, the later marriage or the remarriage is better than the early part.
 - 15 Wen Chang and/or 16 Wen Qu: enjoy fun in the bedroom with each other. Also a classy or educated spouse. But beware of affairs.

- If the karma palace has both 15 Wen Chang and 16 Wen Qu: it is possible the person is gay.

Signs of divorce or separation: Below we will describe configurations that tend to signify divorce or separation when found in the ming or spouse palace.

If these configurations are found in a lifetime chart, then it is destiny to divorce. If they are found in the Large or Small Cycle, it is possible to work through it, but it is not always easy. It is harder for a marriage to survive a ten-year period of bad stars, as people lose patience after a while. Unlike fengshui, astrology doesn't really have remedies. However, if carefully handled, maybe divorce can be avoided.

Stars that are likely to have an adverse effect on marriage when in the Large Cycle spouse palace include:

- 14 Po Jun,
- 10 Ju Men,
- 48 Hua Ji,
- the six sha, or
- 1 Zi Wei together with 7 Tian Fu plus 23 Zuo Fu or 24 You Bi.
- Males should beware of 56 Gu Chen.
- Females should watch out for 47 Gua Su.
- The spouse palace in one of the four corners can also cause danger for the marriage, regardless of what star is inside.

Below, we will also give a few configurations in a Four Pillars chart that can cause separation or divorce.

The six sha:

The six sha are 21 Huo Xing, 22 Ling Xing, 37 Qing Yang, 38 Tuo Luo, 17 Di Jie, and 18 Di Kong.

- In the spouse palace, 37 Qing Yang is like a knife in the marriage. It is uneasy, uncomfortable. It signifies severing the relationship. The spouse is holding the knife, so he or she determines when the relationship is severed.
- 38 Tuo Luo is long suffering or something hidden.
- 21 Huo Xing and 22 Ling Xing: these cause bad things to happen fast. They signify someone who is irritable and impatient.
- 17 Di Jie and 18 Di Kong: They rob or empty out any benefit from the spouse palace.

Sha is always bad. If it falls in the spouse palace, it directly affects the marriage. If it falls in karma, it affects the person's emotional outlook and is in the three combinations relationship with the spouse palace. If it is in ming, it affects all aspects of a person's life, including their marriage.

Note that there is one exception: if one of these stars is alone in the spouse palace (with no Major Stars) and the person marries someone with the same star alone in ming, it is a perfect match. It is not really that the sha is gone; it is just that the two people have little problem tolerating each other's sha.

Configurations that are Signs of Divorce or Separation:

spouse palace si	wu	wei	spouse palace shen
chen	A Spouse palace in a corner		you
mao			xu
spouse palace yin	chou	zi	spouse palace hai

- If the spouse palace is in a corner, there is always the danger of separation due to instability and movement.
- If there are two Major Stars, it increases the possibility of separation. However, if the star combination matches ming of the spouse's chart, this configuration is not a problem. If only one of the two stars matches, they are somewhat compatible, but not a perfect match. *It is a principle that if the spouse's ming matches the star or situation in some way, other possible outcomes of that star may not happen: the star has already manifested its qi.*
- The possibility of separation or divorce is also increased if there are bad stars (such as one of the six sha) in the corner spouse palace. The more sha, the greater the potential.
- In the old days, a corner spouse palace, especially with two Major Stars, could also mean that a man has more than one wife at the same time, but today bigamy is illegal. Therefore, today, it usually means divorce and remarriage.
- However, if the spouse travels a lot, a corner palace is not as bad since it matches his or her nature.

si	wu	wei	Spouse 1 Zi Wei 7 Tian Fu shen
chen	B Zi Wei and Tian Fu together in Spouse		you
mao			xu
Spouse 1 Zi Wei 7 Tian Fu yin	chou	zi	hai

- 1 Zi Wei and 7 Tian Fu are only together in yin or shen, two corner palaces. 1 Zi Wei and 7 Tian Fu together are perfect in ming but are too strong in spouse. As stated above, if the spouse palace is in a corner with two major stars, it is already easy to see separation. This combination often means a second marriage.
- If 1 Zi Wei and 7 Tian Fu are with 23 Zuo Fu and/or 24 You Bi, divorce or separation is almost 100% certain. With 23 Zuo Fu or 24 You Bi, it is also very likely that the spouse will remarry (someone else).

si	Spouse 14 Po Jun 37 Qing Yang wu	wei	shen
chen	C Po Jun and Qing Yang (or other sha) in spouse		you
mao			xu
yin	chou	Spouse 14 Po Jun 37 Qing Yang zi	hai

- A spouse palace with 14 Po Jun and 37 Qing Yang together or possibly with other sha. This could take place in any palace, not just the ones shown here.
- Po Jun signifies breaking so it can mean divorce.
- It is possible instead that the spouse dies first.
- Po Jun can also indicate living together without getting married and later breaking up.
- Po Jun in spouse often means the person marries again (someone else) because Po Jun rebuilds.
- 37 Qing Yang means the marriage is severed or split. It can also mean the spouse dies young in an accident.
- Any of this could occur at the time when Hua Ji comes into the spouse palace or is opposite.
- A spouse palace with 14 Po Jun and 48 Hua Ji together can have a similar effect: Po Jun is never directly transformed by Hua Ji, but if Hua Ji transforms another star in the same palace (or even in a related palace), it also affects Po Jun.

Spouse 4 Wu Qu 14 Po Jun si	wu	wei	shen
chen	D Wu Qu and Po Jun in spouse		you
mao			xu
yin	chou	zi	Spouse 4 Wu Qu 14 Po Jun hai

- 4 Wu Qu and 14 Po Jun together are found in si or hai. Wu Qu is lonely and Po Jun breaks. The four corners are unstable.
- There will be a second marriage.
- They may live together before the marriage.

Spouse 2 Tian Ji 21 Huo Xing or other sha si	Spouse 2 Tian Ji 21 Huo Xing or other sha wu	Spouse 2 Tian Ji 21 Huo Xing or other sha wei	shen
chen	E Tian Ji with Huo Xing (or other sha) in spouse		you
mao			xu
yin	Spouse 2 Tian Ji 21 Huo Xing or other sha chou	Spouse 2 Tian Ji 21 Huo Xing or other sha zi	Spouse 2 Tian Ji 21 Huo Xing or other sha hai

- 2 Tian Ji with 21 Huo Xing or other sha in the spouse palace: Divorce or the spouse dies early.
- If spouse is from far away, this helps to cancel the divorce qi. The qi has manifested in by separation instead.
- This often signifies a large age difference between the couple. If the age difference is more than six years, the situation is less likely to lead to divorce. The qi has manifested in another way. In addition, older people are more wise and patient. They are more likely to work on a marriage to make it better.

si	Ming or Shen 2 Tian Ji plus sha wu	wei	shen
chen	F Tai Yin in ming and Tian Ji in shen or vice versa (not necessarily in opposite palaces).		Ming or Shen 8 Tai Yin plus sha you
Ming or Shen 8 Tai Yin plus sha mao			xu
yin	chou	Ming or Shen 2 Tian Ji plus sha zi	hai

- Ming is 8 Tai Yin and Shen is 2 Tian Ji or vice versa: married two or more times. Having 45 Hua Lu or other good stars may counteract it.
- Note that this configuration is not the same as having Tian Ji and Tai Yin together in ming. Tian Ji and Tai Yin together can be a very beautiful and VERY high class prostitute.³
- In general, if Tian Ji is in ming, you should marry someone six or more years older as older people are more wise and patient.
- When Tian Ji is in the Small or Large Cycle ming, ‘the family is turned upside down.’ There will be trouble at home. If a female client complains of family problems, check the location of 2 Tian Ji first for clues.
- Tian Ji transformed by 48 Hua Ji causes big trouble. Tian Ji fears Hua Ji a lot, especially the current year Hua Ji. If this is in your Small or Large Cycle ming, move or redecorate. This gives you a ‘physical headache, not a luck headache.’

³ But this doesn’t have to occur: LW knows a few women with this combination who have had other types of careers.

6 Lian Zhen 9 Tan Lang plus sha si	9 Tan Lang plus sha wu	4 Wu Qu 9 Tan Lang plus sha wei	9 Tan Lang plus sha shen
9 Tan Lang plus sha chen	G Tan Lang anywhere plus sha		1 Zi Wei 9 Tan Lang plus sha you
1 Zi Wei 9 Tan Lang plus sha mao			9 Tan Lang plus sha xu
9 Tan Lang plus sha yin	4 Wu Qu 9 Tan Lang plus sha chou	9 Tan Lang plus sha zi	6 Lian Zhen 9 Tan Lang plus sha hai

- 9 Tan Lang is the strongest peach blossom star. It is easy for Tan Lang to have affairs, even if s/he loves the spouse. But Tan Lang can negotiate. S/He can give you what you like, so s/he is often forgiven.
- Tan Lang plus sha in spouse: If there is no sha, he tries to make things right and calm her down. With sha, he doesn't care how she feels.
- 9 Tan Lang with 6 Lian Zhen: Lian Zhen is second strongest peach blossom star. This is the worst peach blossom combination. The peach blossom is too strong. It is even worse with sha: he doesn't care about the damage. This is bad in ming and in spouse.
- 4 Wu Qu 9 Tan Lang in spouse: 4 Wu Qu loves money more than people so it is lonely. Lonely stars in the spouse palace are not good. But 9 Tan Lang loves to go out and fool around. Perhaps the spouse is cold and distant at home but goes outside for affairs.
- 1 Zi Wei 9 Tan Lang: This is worse than with 4 Wu Qu because it has more of a need to dominate. It needs a lot of sex (Tan Lang) and demands it (Zi Wei). In a male's ming, this could be a gangster. It is considered very bad in a female's ming. If it is in the original or Large Cycle ming and it also has 26 Tian Yao or 58 Xian Chi and is in the three combinations relationship with stars like 54 Hong Luan, 23 Zuo Fu, 24 You Bi, this person is a bar girl.

si	wu	wei	Spouse 3 Tai Yang 10 Ju Men shen
chen	H		you
mao	Tai Yang and Ju Men in spouse plus 23 Zuo Fu or 24 You Bi		xu
Spouse 3 Tai Yang 10 Ju Men yin	chou	zi	hai

- Ju Men is bad in any palace representing a relative: arguments and/or secret affairs.
- 3 Tai Yang 10 Ju Men: one is bright, hot, and giving. The other is dark, cold, and has poor communication.
- In spouse, this combination can also mean your spouse is from another country or province, or of a different race. If so, this can remove some of the difficulty, although it may imply poor communications because of differences in language or culture.
- 10 Ju Men transformed by 48 Hua Ji and/or with sha: arguments and problems with communication. Ju Men can also signify jealousy.
- In the past, 23 Zuo Fu and/or 24 You Bi in spouse meant a man had a second or third wife. Since that is not allowed today, it may mean divorce and remarriage (to someone else) or affairs. If they are with peach blossom stars, it means that the spouse will always be seeking someone else. These things are predicted anytime Zuo Fu and/or You Bi are in the spouse palace, but are worse with 3 Tai Yang 10 Ju Men.
- An interesting detail is that people with Tai Yang and Ju Men together in ming often like to sleep naked.

si	wu	wei	shen

si	wu	wei	shen
chen	K Female with Gu Chen and/or Gua Su		you
Ming 57 Gua Su mao			xu
yin	Spouse 56 Gu Chen chou	zi	hai

- In the lifetime chart, 56 Gu Chen (in a male's ming or a female's spouse palace) or 57 Gua Su (in a female's ming or a male's spouse palace) signify that the person will get married late in life or will never get married.
- These two also have a strong effect if they are in the karma palace: the person chooses the loneliness; they just don't want to get married. They may choose to be a monk or nun.
- If these stars are in the Large or Small Cycle spouse palace, they cause problems within a marriage: separation due to circumstances, sleeping alone. If affecting the Large Cycle, it is hard to pass through, as the problem lasts a long time.

si	wu	wei	shen
chen	L Female with busy spouse palace		you
Ming 8 Tai Yin plus peach blossom mao			xu
yin	Spouse busy, many stars chou	zi	hai

- We don't like too many stars in the spouse palace. If the spouse is too busy, it is not good. A marriage should be private, simple, and calm, a refuge from the outside world. Too many stars in the spouse palace signify activity, interference, and agitation.
- 8 Tai Yin is a peach blossom star and it represents a pretty female.
- A female with 8 Tai Yin ming and a busy spouse palace is often an entertainment girl, even a prostitute. She certainly does not like to stay home at night.

si	wu	wei	shen
chen	M When will a marriage break up?		you

yin	Small Cycle Ming 37 Qing Yang chou	zi	Small Cycle Spouse 6 Lian Zhen 9 Tan Lang Hua Ji hai

- The year of a break up is often when the Small Cycle spouse palace is in a corner palace with bad stars.
- If 37 Qing Yang is also in ming or spouse (especially with peach blossom stars such as 9 Tan Lang), that is a year of divorce or heartbreak. Qing Yang, the knife, means severing, cutting. The relationship is cut off. Don't forget to check for Qing Yang based on the current year stem.
- If Qing Yang is in ming, it is likely you break up the relationship. If it is in spouse, he or she breaks it off.

These last two charts involve the birth of a child, the health of a mother, and pregnancy:

Analysis: Ms A's lifetime ming is in the you palace. The Major Star is 7 Tian Fu 5. Tian Fu is very accommodating, so she is not very selective in choosing friends and people around her. Tian Fu also tends to be tall and big-boned. Combined with 40 Tian Yue, it indicates that she is elegant.

The parents palace is also called the 'appearance palace.' She has 8 Tai Yin in parents palace (in xu), so she is very pretty.

Ms A's spouse palace is in wei:

- It has two Major Stars: 1 Zi Wei and 14 Po Jun. Two stars in spouse tend to signify a second marriage.
- She also has 23 Zuo Fu and 24 You Bi, two helper stars. These are normally 'helper' stars, but in spouse they signify affairs or additional marriages. It is likely she will have three or more husbands. If not, she is likely to have multiple lovers.
- She also has 57 Gua Su, a sleep alone star, in the spouse palace. Gua Su affects the female more and this spouse palace is referring to a male. Nevertheless, it is not a good star for any spouse palace.
- 17 Di Jie is one of the six sha.
- In addition, she has too many stars here. In general, a marriage should be calm and simple, represented by a spouse palace with few stars. When the spouse palace is too busy, it signifies turbulence and complications in the marriage.

Her marriage(s) will be difficult.

To understand the situation better, we can look at the karma palace. Karma is the root of whether you feel happy or not. She has 6 Lian Zhen 5 transformed by Hua Ji with 9 Tan Lang 5. These are the two strongest peach blossom stars and are always considered a difficult combination. She also has 22 Ling Xing, one of the four sha. Together they show that she wants to enjoy peach blossom regardless of the cost. Now it is clear that her 'busy' spouse palace is not necessarily because of her husband; it is because she wants it this way. Lots of 'entertainment girls' have this type of karma palace.

Ms A's money palace (opposite karma in si) has 36 Lu Cun, so she can have money all her life. However, this isn't happy money. Her money comes from peach blossom, from the stars reflected into the empty money palace from hai.

Note that Ms A has 4 Wu Qu and 13 Qi Sha together in mao, which is her travel palace. People with this combination are susceptible to serious accidents if Hua Ji transforms one of these stars. Watch the Large and Small Cycles for times when this may cause trouble. (This detail is unrelated to the case presented here.)

Ms A's first Large Cycle ming (6-15) is in you, along with her lifetime ming. The palace stem is ding, so 8 Tai Yin is transformed by Hua Lu. Tai Yin represents the mother and is located in the Large Cycle Parent's Palace in xu. The stars that represent her mother are good, so Ms A's childhood is good.

If we look at the prognosis for Ms A's love life over the Large Cycles, we can start with 16-25 in the shen palace.

The palace stem for this ten year period is bing, the same as her birth year. Therefore, the opposite palace (yin) has a double Hua Lu and a double Hua Ke, increasing their effects. 5 Tian Tong 4 transformed by a double Hua Lu and 12 Tian Liang 1 are reflected in from yin. With nice stars like these, it is likely that she can get married during this time. In addition, 15 Wen Chang transformed by a double Hua Ke is opposite, so it has a strong influence: she is likely to care about her looks and it adds some peach blossom.

The Hua Ji for this Large Cycle transforms 6 Lian Zhen, which is in property (hai), so it has little effect on her marriage and happiness (even considering the palaces in the three combinations relationship and the opposite palace).

Ms A got married at age 25 (1970, a geng xu year, after her birthday). Her Small Cycle ming (in chen) has 3 Tai Yang transformed by Hua Lu.

One of the things we said above that could predict a marriage was “The Small Cycle karma, ming, or spouse palace has peach blossom stars plus Hua Lu.”

- Her Small Cycle ming (in chen) has Hua Lu (on Tai Yang) and 26 Tian Yao, a peach blossom star.
- Her spouse palace (in yin) has 15 Wen Chang transformed by a double Hua Ke. It also has a double Hua Lu.

However, because it was a geng year, 5 Tian Tong in her spouse palace is transformed by Hua Ji. Remember, we also said that “5 Tian Tong transformed by 48 Hua Ji in karma, ming, or spouse of the Small Cycle” predicted peach blossom, which can lead to marriage. However, Tian Tong Hua Ji also means heartbreak, so either Ms A or her husband are likely to suffer some. Still, the Small Cycle spouse palace in yin has mostly good stars, and a double Hua Lu and a double Hua Ke. All of this is able to overwhelm the one Hua Ji. There will be some small trouble, but the outcome is mostly good.

The next Large Cycle ming (26-35) is in wei:

- Since the palace stem is yi, Zi Wei is transformed by Hua Ke in this same palace, adding some peach blossom.
- The Major Stars are 1 Zi Wei and 14 Po Jun. Because of Zi Wei, Ms A wants to be treated like the emperor. 14 Po Jun signifies breaking. The marriage breaks.
- 57 Gua Su (especially bad for a female) keeps her from being close to her spouse.
- 17 Di Jie takes away from any auspiciousness in the palace.
- 23 Zuo Fu and 24 You Bi aren't peach blossom stars except in spouse, but in the overall context of this chart, they may mean affairs, even in ming.

The spouse palace (in si) for this Large Cycle has no Major Stars, so 6 Lian Zhen 5 transformed by Hua Ji and 9 Tan Lang 5 are reflected in. These stars are especially bad in the spouse palace due to their peach blossom nature, so this adds to the image of divorce.

Ms A got divorced in 1978 (a wu wu year, after her birthday) at age 33. Her Small Cycle ming was in shen, so the spouse palace is in wu. Because of the wu stem year, 2 Tian Ji is transformed by Hua Ji and is located in the spouse palace along with 37 Qing Yang. Tian Ji Hua Ji means instability and often divorce and Qing Yang also shows the severing of the relationship.

Her Small Cycle karma palace in xu has 8 Tai Yin transformed by Hua Ji. This shows that she is not calm and it may relate to peach blossom (Tai Yin brings peach blossom).

During this Large Cycle, Ms A's career palace is in hai with 6 Lian Zhen 5 transformed by Hua Ji and 9 Tan Lang 5. At this time, she worked in the 'entertainment field' as a call girl.

At age 36-45, the Large Cycle ming is in the wu palace. 2 Tian Ji always means some instability. 37 Qing Yang in ming means Ms A now holds the knife.

Because the palace stem of the Large Cycle ming is jia, 3 Tai Yang is transformed by Hua Ji in spouse (chen). The spouse palace also includes 26 Tian Yao (peach blossom) 38 Tuo Luo (one of the four sha), 43 Jie Lu and 53 Tian Xu (emptiness stars). This is obviously not good for men in her life.

The Large Cycle ming for 46-55 is in the si palace. This palace has no Major Stars so 6 Lian Zhen 5 transformed by Hua Ji and 9 Tan Lang 5 are reflected in. Even at this age, peach blossom has too strong an influence on her life. Because the palace stem of her Large Cycle ming is gui, Tan Lang is also transformed by Hua Ji, making a double Hua Ji in her ming. Therefore, the peach blossom only brings trouble.

Ms A's spouse palace is in mao, 4 Wu Qu and 13 Qi Sha both are very strong stars and have bad ratings. 18 Di Kong, one of the six sha is also here. She still cannot have a comfortable relationship.

At the age of 56-65, Ms A's Large Cycle ming is in chen. The palace stem is ren, so the Four Transforming Stars are found based on that. Finally, the Hua Ji's are not in significant palaces and the excessive peach blossom stars do not have an effect. At last Ms A can be happy.

Ms A has a bright 3 Tai Yang in ming (chen) with only one peach blossom star, 26 Tian Yao. While there are some sha and consuming stars in this palace, at least there is no Hua Ji.

The spouse palace in yin has easy-going and pleasant stars (5 Tian Tong, 12 Tian Liang, 15 Wen Chang) transformed by a double Hua Lu and a single Hua Ke. In her later years, perhaps she can meet a nice man and settle down in a good relationship.

Note that it is not that peach blossom stars cause trouble in every chart. The problem is that Ms A has *excessive* peach blossom mixed with sha in significant palaces. These stars affect her for a large portion of her life. If there were fewer peach blossom stars and less sha, Ms A could control her behavior better and bring less trouble upon herself. This chart is so strong that Ms A is like a ship at sea being tossed about by a storm. The force of it is beyond her control.

Mr. B

Analysis: This chart has some similarities to the previous one. All the Major Stars have the same relationships with each other. This is because in the previous case, 1 Zi Wei was in wei and in this chart, it is in chou; the charts are 180° off from each other, as if the chart was rotated upside down. This will change the ratings, but the combinations of Major Stars, such as 6 Lian Zhen and 9 Tan Lang, are the same. In addition, opposite palaces and palaces in the three combinations relationships will be the same.

However, the lifetime mings in these two charts are in different palaces. The previous chart had the ming in you with 7 Tian Fu. This chart has the ming in si with 6 Lian Zhen 5 and 9 Tan Lang 5. This combination is in Mr B's lifetime ming, but was in Ms A's lifetime karma palace.

The minor stars in each palace are different, as the two people have different birth data. You will see other similarities and differences as we analyze this chart.

Mr. B's ming is in si. It has 6 Lian Zhen 5 and 9 Tan Lang 5. These are the two strongest peach blossom stars. He will have charisma and women will like him, but it will be hard for him to be faithful to any one person. This same combination is reflected into hai, which is Mr. B's Shen, the Body Palace, so he will not mature out of his peach blossom lifestyle.

His spouse palace is in mao, with 7 Tian Fu 3, so his wife will accept him and accommodate his affairs. She will be large boned, and a little tall. It also has 64 Tian Shou, so there will be a big age difference. He is ten years older than she is.

Mr. B's shen (the body palace) is in travel. This signifies that he likes to go out a lot and is never at home. Also, when 21 Huo Xing is in ming or shen with no Major Stars, it makes the person very temperamental and fast. (22 Ling Xing is similar, but Huo Xing is always worse than Ling Xing.)

Note also that Mr. B has 15 Wen Chang and 16 Wen Qu together in the chou palace. This is a very strong peach blossom combination. Even though it is in money, it is in the three combinations relationship with his ming, which already has too much peach blossom. It will also cause problems during various Large and Small Cycle periods when it is in a significant palace.

Note that Mr. B (like Ms A) has 4 Wu Qu and 13 Qi Sha together. In this chart, they are in you, which is his career palace. As we have said, people with this combination are susceptible to serious accidents depending on the variations in the Large and Small Cycles. We will revisit this issue later.

This is not related to the events of this case study but note that people with 5 Tian Tong transformed by Hua Ji in the property palace should watch out for fire.

In the second Large Cycle (14-23), Mr. B's ming is in wu. There are no big problems. You can tell by comparing the palace categories for this ten years with the location of the Hua Ji's and the palaces with the most difficult stars.

The stars in ming (wu) and opposite (zi) are decent.

Career (xu) has Hua Lu.

Money (yin) doesn't look good because Hua Ji is reflected in from shen, but so is 36 Lu Cun and the Large Cycle Hua Lu. Good and bad are mixed but the good stars are stronger than the bad.

Mr. B's Large Cycle karma is in shen with the one Hua Ji that is reduced in strength because it is with Hua Lu and 36 Lu Cun. These are the same stars we examined for the money palace, which is opposite. Once again, good and bad are mixed but the good stars are stronger than the bad. He can be fairly happy.

The spouse palace is in chen. It has a relatively dark 8 Tai Yin with a double Hua Ke. This shows a beautiful woman with lots of peach blossom, but he is young and not ready to settle down yet, so he can have fun with her.

The next Large Cycle (24-33) has ming in wei. The Major Star is 11 Tian Xiang with a rating of 4. Tian Xiang doesn't have a strong personality of its own. It takes on the characteristics of the stars it is with. This palace also has 22 Ling Xing and 38 Tuo Luo, two of the four sha.

The hai palace (career, in the three combinations relationship) adds 21 Huo Xing, another of the four sha. 6 Lian Zhen 5 and 9 Tang Lang 5 are reflected into hai from the opposite palace. This combination is not considered good, even if it is in a palace unrelated to peach blossom. In career, this combination signifies some who would rather play than work, someone who will rely on charm rather than substance. In addition, Tan Lang is transformed by Hua Ji since the palace stem for wei, the ming of the Large Cycle, is gui. This shows peach blossom with a bad outcome.

15 Wen Chang and 16 Wen Qu are opposite the Large Cycle ming, in chou.

All these stars influence Tian Xiang (Mr. B's Major Star in ming) with peach blossom qi and a lot of sha. Remember, Tian Xiang is the minister, not the emperor, so it is accustomed to taking orders. It will take orders from the peach blossom stars and from the sha.

Mr. B's spouse palace (si) contains 6 Lian Zhen 5 and 9 Tang Lang 5 transformed by Hua Ji as well as 29 Tian Wu, 51 Tian Kong, 56 Gu Chen, 75 Da Hao, all difficult stars. There will be no satisfaction in marriage.

The karma palace (you) has strong stars: 4 Wu Qu and 13 Qi Sha, made even stronger by Hua Quan. In addition, 37 Qing Yang in karma makes Mr. B very aggressive and not very caring.

The next Large Cycle ming (34-43) is in shen. It has 5 Tian Tong 2 transformed by Hua Ji and 12 Tian Liang with a low rating. Tian Tong means he will try to enjoy himself and not work hard. 17 Di Jie is one of the six sha (and 18 Di Kong is opposite). 36 Lu Cun is on the plus side, but overall, this is not a great ming.

The same stars are reflected into travel (yin).

Money and career (in the three combinations relationship) are not bad.

The spouse palace (wu) contains 10 Ju Men, which can show difficulty communicating, but the rating is not bad. However, notice the palaces in the three combinations relationship with spouse: yin and xu. Xu has the Large Cycle Hua Ji and yin has the lifetime Hua Ji reflected in. Therefore, the spouse palace sees a double Hua Ji.

The Hua Ji in karma (xu) is somewhat counterbalanced by Hua Lu, but the karma palace also sees the Hua Ji reflected into yin because these palaces are in the three combinations relationship. One Hua Lu cannot overcome a double Hua Ji. We can conclude that he is not happy.

Finally, we get to the Large Cycle for 44-53, with ming in you. 4 Wu Qu in ming is transformed by Hua Quan. While Hua Quan is auspicious when it transforms mild stars, it makes strong stars too strong. In addition, this palace has 13 Qi Sha with a low rating and 37 Qing Yang. These are also very strong stars. In fact, Wu Qu and Qing Yang together can be a powerful military officer.

Qing Yang or 33 Tuo Luo with 13 Qi Sha is very dangerous (especially with 6 Lian Zhen, although that is not the case here). In addition, this ming palace has 25 Tian Xing, heaven's punishment, the executioner. Overall, this is a very strong, very tough palace.

In addition, this Large Cycle ming is in the three combinations relationship with si, the palace that contains 6 Lian Zhen 5 and 9 Tan Lang 5. It is a very inauspicious ming.

Mr. B died in a car accident during this ten-year period, in 1984, a jia zi year. He was 45 years old. His girl friend was in the same car, and she died too.

Remember, we said that Lu Cun, Qing Yang, and Tuo Luo could be found according to the current year stem?

1984 was a jia zi year, so 37 Qing Yang was in mao, opposing the Large Cycle ming in you. The you palace already had Mr. B's permanent Qing Yang. In addition, the annual 38 Tuo Luo was in chou, in the three combinations relationship with you. When the annual and permanent Qing Yangs and Tuo Luos gang up, disaster can occur.

Besides this, the current year Hua Ji (in xu) was in the three combinations relationship with Mr. B's Small Cycle ming (wu palace).

Analysis: This case study is not related to peach blossom or marriage, but it shows some important concepts.

Mr. C has 12 Tian Liang in ming (also shen, the body palace), located in si. Tian Liang in ming usually means the early life has difficulty, but it becomes easier later. This is because Tian Liang represents an older person. Tian Liang is transformed by Hua Ke, so he can make a name for himself in his later years. 38 Tuo Luo (one of the four sha) means delays. This adds to the image of having a hard time in the beginning. Opposite, in hai (travel) Mr. C receives no help, because 5 Tian Tong likes to relax and enjoy, and because 17 Di Kong (emptiness) and 18 Di Jie (robbery) are a very strong combination that consumes resources.

In addition, the travel palace has 49 Ming Ma and both ming and travel are in corner palaces. This means a lot of movement, causing instability.

We can tell already that certain periods of time will be tough, since we know:

- the early life is hard (12 Tian Liang)
- there is instability (corners, 49 Ming Ma)
- three of the six sha affect his ming (38 Tuo Luo, 17 Di Kong, and 18 Di Jie).

The lifetime career palace (you) has 62 Po Sui (break and shatter) and 75 Da Hao (big consumer). Even though the Major Stars (reflected in from mao) are okay, the career palace is far from perfect.

The lifetime money palace (chou) is always in the three combinations relationship with ming. It has 3 Tai Yang with a low rating. Even though it is not in his parents palace, a chart with an unhappy Tai Yang implies difficulties with men, with the father. 8 Tai Yin is also in chou, but with a high rating. This implies that the father may die before the mother, or at least the relationship with the father is worse than with the mother.

This palace (chou) was also Mr. C's Small Cycle parents palace for age 6. This was 1934, a jia xu year, after his birthday. Since it was a jia year, 3 Tai Yang was transformed by 48 Hua Ji (see the chart on the next page). In addition, 37 Qing Yang is opposite (wei), so the knife is pointing at the parents palace. The chou palace also has 52 Tian Ku (something to cry about). Mr. C's father died that year. Since his father was not there to help him, this helps to explain why Mr. C's younger years will be more difficult.

Note that beyond looking at the stars in the parents palace, the status of 3 Yai Yang and 8 Tai Yin also give a lot of information about the parents.

Since Mr. C is a yin male, the Large Cycle moves counterclockwise. The next Large Cycle, for ages 13-22, is in chen. Here, he has 1 Zi Wei with the lowest rating and 11 Tian Xiang 2. The emperor (Zi Wei) will be quite unhappy. He resents that he does not have the power that an emperor should.

In addition, 16 Wen Qu is transformed by Hua Ji. This is a time when a young person should be in school. Wen Qu represents a scholar, but because it is transformed by Hua Ji, the scholar has problems. Mr. C dropped out of school during this time. This combination could also signify a student who was not doing well in school.

The next Large Cycle, for ages 23-32, is in mao. The palace stem is ding, which makes 10 Ju Men transformed by Hua Ji. Unfortunately, Ju Men is in Mr. C's ming. Sometimes it feels like Hua Ji follows a person around, appearing in significant palaces during many time periods in a row.

Hua Ji affects all the stars in a palace. 2 Tian Ji is also there, and Tian Ji is afraid of Hua Ji because it is already unstable and prone to excessive movement. 21 Huo Xing and 69 Xiao Hao add to the inauspiciousness. This period shows a lot of struggle and a lot of movement (philosophically, the Chinese prefer stillness).

The ming of the next Large Cycle, for ages 33-42, is in yin. The palace stem is bing, which makes 6 Lian Zhen transformed by Hua Ji. Unfortunately, this star is opposite ming in shen. You can see how the bad stars have followed Mr. C around for 40 years.

9 Tan Lang is in ming. This means that 13 Qi Sha must be in career, and 14 Po Jun must be in money (these three stars are always in the three combinations relationship with each other). This combination signifies a time of change.

It turns out that this period is a turning point in Mr. C's life when he can start to change some things around him. If you look at career (wu) and money (xu), you see more good stars than bad and they are unaffected by any Hua Ji. Even though Qi Sha and Po Jun are stars of change, they have good ratings, and Mr. C could use a change in his life. Note that Heaven Net (chen) and Earth Net (xu) can make it hard to break out, but Qi Sha and Po Jun are strong and aggressive enough to break through. (Most stars cannot. For example, 2 Tian Ji is restless in these palaces because it cannot move as much as it likes to.) Mr. C has Po Jun in xu (Earth Net), so he is able to make change.

Tan Lang in ming is transformed by Hua Quan, which gives it power. 20 Feng Gao and 42 Tian Fu also help him. 40 Tian Yue is opposite in travel (shen). 40 Tian Yue means a woman will help. Since it is in travel, she is from far away. At this time, a rich lady from Taiwan helped Mr. C in establishing his business.

The ming for the next Large Cycle, for ages 43-52, is in chou. The palace stem is ding, which makes 10 Ju Men transformed by Hua Ji; finally Hua Ji is not in such a prominent position. (Ju Men Hua Ji is in mao, karma, so he is not happy, but outwardly things can improve.)

The palace stem of ding also makes 8 Tai Yin transformed by Hua Lu. Since Tai Yin is in his ming and is a very good star for money, finally Mr. C has some good luck. Tai Yin likes to receive (yin is inward movement), and Hua Lu enables it to do this. He started to make good money at this age. His life will get better from here on.

The career palace (si) has Tian Liang Hua Ke, which shows a relatively high position and being well known.

The money palace (you) is mixed. 2 Tian Ji transformed by Hua Ke and 10 Ju Men transformed by Hua Ji are reflected in. Ju Men Hua Ji tends to signify lawsuits. The other bad stars in you include 62 Po Sui and 75 Da Hao. However, the money palace is also helped by 41 Tian Guan and 59 Long Chi. The money palace is not great, but it does see one Hua Lu and two Hua Ke, which together outweigh the one Hua Ji.

Mr. C has not reached his peak yet, but life is getting better.

The ming for the next Large Cycle, for ages 53-62, is in zi. Here, Mr. C has the perfect combination for making money: 4 Wu Qu transformed by Hua Lu with 7 Tian Fu. 36 Lu Cun is also shining in the opposite palace (wu). At this time, Mr. C became a billionaire (in Taiwanese money).

The career palace (chen) has 1 Zi Wei (the emperor) together with 11 Tian Xiang (the prime minister) so Mr. C can be powerful now. However, in the same palace, 16 Wen Qu is transformed by Hua Ji, with the special meaning that he must be careful when signing contracts.

The money palace (shen) has 6 Lian Zhen transformed by Hua Ji.

Ming now sees a double Hua Ji, but also a double Hua Lu. The double Hua Lu is stronger because ming and travel have more influence than the three combinations relationship. In addition, the Major Stars in ming are the perfect money-making combination. We can conclude that Mr. C will make lots of money, but that he will still have other difficulties in his life due to the two Hua Ji's.

In this case, we can clearly see the concept of 12 Tian Liang having a hard time in early life, but improving with age. Even if the later life is not perfect, it is much better than the beginning.

Conclusion

To be good at Zi Wei Dou Shu takes a long time and a lot of experience; little by little, we can improve our skills. There is a lot you can see in a reading, even if you have only taken *Beginning, Intermediate and Advanced Zi Wei Dou Shu Classes*. However, over the course of the thousand year history (more or less) of this art, observers have found many meanings for different star combinations. In this class we have presented a number of these combinations, especially in regards to love and marriage.

You and I can continue the observation of star combinations and discover new ones. Master Sang says if you find something significant that you attribute to a combination of the stars, make a note of it. If you see the same thing again in another chart and the same outcome occurs, pay close attention to it. If you find it to be true three times, it probably is a special meaning of that star combination. So through our practice of Zi Wei Dou Shu, we can continue developing the art.

In these three case studies, we have also seen how certain charts can present a lot of difficulty in the early years. We can look through the Large Cycles one by one to find the time when this person will finally have some “good luck.”

If you review the section called the “Twelve Palaces of Zi Wei” in the *Beginning Class Part 2*, you can see that there are six sets of combinations of the Major Stars, because half of the twelve variations are really just an upside-down version of another chart. Within these six sets of combinations of the Major Stars, some combinations cause a lot of trouble; once they are woven into a chart they come up again and again during different time periods. Examples of these problematic combinations are 6 Lian Zhen and 9 Tan Lang, or 4 Wu Qu with 13 Qi Sha. In other charts, Hua Ji seems to follow a person from Large Cycle to Large Cycle.

While there is no remedy for a problem in a Zi Wei Dou Shu chart, we can take certain actions. We can moderate our behavior to reduce the strength of the problem. When we enter a bad time, we can decrease risk-taking. We can use feng shui to bring us to the high side of our potential. We can do good deeds for others. We can work hard for our goals. We can remember what the *Dao De Jing* says in Chapter 3: “The reason I have great suffering is that I have a living body; if I did not have a living body, what suffering could I experience?”⁴ It is better to take life, along with its suffering, than not to experience the marvels of heaven and earth.

⁴ 吾所以有大患者，为吾有身，及吾无身，吾有何患？《老子·第十三章》
